ABOUT WINSTON'S WISH

For over 30 years Winston's Wish has been helping children and young people whose worlds have been turned upside down by grief find hope for a brighter future.

Unlike adults, who stay with their grief, children often jump in and out of their grief. We describe this journey as 'puddle jumping'. This means that they may initially be upset about their loss but may then appear to be fine for a period of time and then become upset again, and so on. This can be very confusing both for children and the adults who care for them.

Conversations can allow children to express their emotions; be it sadness, anger, joy or fear. By opening up these important conversations about death we can allow children who are grieving to 'puddle jump' while understanding their mixed emotions.

That's why we're so grateful to you for joining us this Wear Wellies Day! By making a splash to raise some cash you will help to give hope to grieving children and for that we can't say thank you enough!

We hope you have a fantastic day of fundraising!

If there's anything we can do to help or you'd like any additional copies of the materials, please do contact our fundraising team on **01242 515 157** or email community@winstonswish.org

Thank you!

JOIN THE WEAR WELLIES FUN

Let's get started! To begin, ask your friends, family and colleagues to join in the fun by donating **£2 each to wear their wellies for the day**. Strut your stuff around school or turn the boardroom into a catwalk, the brighter the wellies the better!

Then, why not try one of our welly-themed fundraising activities to help top up your totals:

All of a muddle fundraising quiz – Print out the enclosed quiz sheet and charge £1 to enter. Consider asking friends or local businesses to donate prizes.

Aim for the puddle welly wanging competition – Pay £1 to play. The person to throw a wellington boot the furthest, wins! Why not make it more challenging by filling the welly with water!

Make a splash, sponge your teacher or boss – Donate to throw a water soaked sponge at your teacher or boss.

Welly boot baking – Bake a selection of Welly Boot Biscuits, then sell them at a bake sale.

WHERE YOUR MONEY GOES

Every penny raised will go towards funding our vital services for bereaved children and young people across the country.

Whatever you are able to raise, you help us to give hope to grieving children.

£14 - could provide two children with a copy of 'Muddles, Puddles and Sunshine' - a book that aims to help children make sense of their experience by reflecting on the different aspects of their grief.

£48 - could provide three children with a memory box that can be used to store treasured objects, helping them to remember their loved one in a way that is personal to them.

£100 - could fund six live chat sessions with our bereavement support workers, giving young people the opportunity to share their feelings and find ways to cope.

HOW TO PAY IN YOUR FUNDRAISING

You did it! Thank you for joining us for a day of fundraising fun, we hope you had a great time! The sooner you're able to get your fundraised monies to us, the sooner we can put it to good use. Here's how to pay it in:
